"**Drop in**" clinics are for players of all ages and levels. These are high repetition style clinics in which players will receive the ball from a coach in a controlled atmosphere. In essence, players will either hit a lot of balls, set a lot of balls, or dig a lot of balls depending on the clinic they attend. Friends of United members are welcome as long as they are AAU or USAV members. **Open Gym** is free **BUT** for Tampa United members only.

**\*June 30th all activities cease. For all players who are AAU members, lessons on Sundays noon-5pm, lessons T W TH 4-8pm, and Sunday open gym are still available. Any other activity must be cleared.**
